Navigate Change With Conference Seminars and Free Education

Learn directly from industry leaders and chart your path to professional growth with free workshops and paid technical training in **9 tracks** — plus our new Leadership Track for C-suite executives. Registration is required to attend some complimentary sessions.

Tech Talks. Visit the Tech Talk Theater for demos showcasing the newest marine technology from exhibiting companies.

New! Main Stage. Take advantage of sessions and events focused on boatbuilding's hottest topics — gain critical insights on leadership, workforce development, industry research and analysis, and more.

Pre-Conference Sessions. Jump-start your learning on Monday, September 30, with in-depth training opportunities before the exhibit halls open. Secure your place now before your most-wanted session sells out! (Additional cost required for most sessions)

Seminar Series. Dive deeper with expert-led seminars covering new developments in technology, electrification and sustainability, shifting economic conditions, and other pressing topics impacting our industry. **Purchase a single seminar, 3-pack, or FlexPass (8 sessions).**
